- Numerous draw prizes for some great gear from our sponsor

In the spirit of our goals to foster and build a strong kayak fishing community we will limit event / category winners for this weekend to one per angler to spread the fun and prizes around.

Fish prizes will be based on measured length done on a measuring board. You can text your photos to any of us on the committee or post them to the Facebook page. Above is an example of an acceptable photo – essentially fish lips or tail (preferably lips) against the end, id card and measurements clearly visible. Detailed rules are on the website (but we are still fairly informal)

Most importantly, have fun, help your fellow angler (yes you can help them net) and be safe.

Enjoy your weekend, learn something new and have fun. As always, thanks for your participation and being an ambassador for the sport and our group
