2024 Changes:

- The Online Saltwater Slam will be a separate registration fee (\$50) for those who want to participate and is not included in the passes this year (the administration was challenging)
- We have all been so busy that we are not going to purchase “swag” this year to include with our passes
- Given the changes we have reduced the cost of the passes to reflect the changes and we hope to make things more affordable for many to help grow the community
